

Hands Up

Black Eyed Peas

[Hook]

Hands up

Coming with rhythms to make you head jerk

We makin' the whole joint short circuit

Hands high touch the sky get 'em up

Get 'em [x7]We gone make you move

We gone make you hot

Elbows above your head peoples

We holdin' up the spot

We gone get it goin' even if y'all don't be knowin'

'Cuz this shit that we throwing get you going gone retarded

Started up, bangin' out hits

Now we're chartin' up

Didn't mean to bump you, pardon us

Diggin' this cut 'cause we sharpened up

You dumbing it down, we smartened it up

We penetrate even though your guard was up

Get down to the Peas 'cuz we fallin' up

Electric 'cuz we like charging up

We the B E Peas uh

Rhythmic sonic pleaser

Getcha hot like fever, boiling two hundred degrees ah

You're burning up

Heat's getting low let me turn it up

Let me fuck you up your ear 'til my sperm is up in your brain

And the baby Wil I Am's be sayin'[Hook]Tabamatic oh man you flows

Deeper than Atlantic O's

A-pl-de Ap got ridiculous flows

Catchin' rhythm makin' 'em grow

Mathematic A-pl will go

Up in the scene we original

You know what I mean be, be mineral

Stormin' strong for my several

Barricade laid for you terribles ho

I'm the chief Fil-I-pi-no

Letting you know we're about to blow

Wil-I-Am, Ap, and Tab double O

Set 'em up, set 'em up, set 'em up

Time for us to raise it up

Never goin' down always headed up
Raise your hands 'cuz we blaze it up
Anybody here who waited long
To you I dedicate this song
Ain't nothing wrong gotta make you right
Straight to the point this is the new joint
And you know this is the jam y'all
Come on down and dance y'all
Have ball y'all throw you hands up[Hook][Break]
Black Eyed Peas will announce
Somethin' you can't avoid
You need to b-b-b-bounce to this
B-b-b-b-b-b-bounce to our joint
We come with more than an ounce
More like a ton full of noise
So b-b-b-bounce to this
B-b-b-b-b-b-bounce to our joint
We came to getcha, getcha
Bouncin' so getch, getcha ass up
We gotcha, gotcha movin' let's make it hotter
Hotter than molted lava
Bubbling like boiling water ah[Hook]
