

I Am Blessed

Mr. Vegas

Sometimes I stop
Take a look at myself
And realize just what I've done
It's not that I'm better than
It's just that I thought "I can."
I played the odds and I won
So I have no right to complain
Or feel sorry for myself
When so many more have less
I look around
And I realize
I am so blessed
Yes I am blessed
I am so blessed
Yes I am blessed
It's hard to concieve
People look up to me
And somehow it makes them believe
That as long as you dream
No matter what life may bring
With God you can do anything
There may be times when the world

seems so cold
And times when I cannot rest
(I don't complain)
Cause I know inside that...
I am so blessed
(In the morning when I rise)
Yes I am blessed
I am so blessed
I am blessed, Yes I'm blessed
Of all of the places I've been
And people that I've met
A lifetime of memories I'll never forget
I look back with no regrets 'cause...
I am so blessed
Yes I am blessed
I am so blessed

Yes I am blessed

Blessed..

OOohhhhh!
