

# Sugar We're Going Down

## Fall Out Boy

Am I more than you bargained for yet  
I've been dying to tell you anything you want to hear  
Cause that's just who I am this week  
Lie in the grass, next to the mausoleum  
I'm just a notch in your bedpost  
But you're just a line in a song

(A notch in your bedpost, but you're just a line in a song)Drop a heart, break a name  
We're always sleeping in, and sleeping for the wrong teamWe're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull itWe're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull itIs this more than you bargained for yet  
Oh don't mind me I'm watching you two from the closet  
Wishing to be the friction in your jeans  
Isn't it messed up how I'm just dying to be him  
I'm just a notch in your bedpost  
But you're just a line in a song

(Notch in your bedpost, but you're just a line in a song)Drop a heart, break a name  
We're always sleeping in, and sleeping for the wrong teamWe're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull itWe're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull itDown, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull itWe're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull itWe're going down, down (down, down)  
Down, down (down, down)  
We're going down, down (down, down)

A loaded god complex, cock it and pull itWe're going down, down in an earlier round  
And Sugar, we're going down swinging  
I'll be your number one with a bullet

A loaded god complex, cock it and pull it
