

I'll Never Stop Loving You

Dionne Warwick

I'll never stop loving you
Whatever else I may do
My love for you
Will live 'til time itself is through I'll never stop wanting you
And when forever is through
My heart will beat
The way it does each time we meet The night doesn't question the stars
That appear in the skies
So why should I question the stars
That appear in my eyes Of this I'm more than just sure
My love will last and endure
I'll never, no
I'll never stop loving you The night doesn't question the stars
That appear in the skies
So why should I question the stars
That appear in my eyes Of this I'm more than just sure
My love will last and endure
No, I'll never, no
I'll never stop loving you I'll never stop loving you
Never, never stop, never stop
Never stop loving you
Never, loving you, loving you Never stop loving, loving, loving you
Loving you, loving you
I'll never stop loving you
Loving you, never stop, never stop
