Thinkin' Of You

Charlie Wilson

Mmm, hmm
It feels like a lifetime, a thousand days have passed by
Since I held you close to me
If I could see that smile from my friend
I know that I could live again
I need you here with me
Heaven knows what to say
Even though for right now you're so far away
I hope and I pray
Somewhere in your heart I'll always stay
Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath
And my life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine
Sun doesn't shine without you
This is more for me than for you
Girl, I finally see there's no substitute
For what we have
Do you know how much I love you?
And that we shared, I can't forget
Girl, a love like yours
I'll never let just slip away
Just promise that you'll stay
Heaven knows what to say
Even though for right now you're so far away
Gonna tell you and show you
Do whatever I can do to get back to you
Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath
And my life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine
Sun doesn't shine without you
Have you ever seen a flower that did not bloom?
Seen a starless night without the moon?
Well, that's me without you?

So come back and turn my nights into days
Girl, lately my sun doesn't shine without you
Never noticed what it feels like to be without you
Feels like I took my last step and my last breath
And my life ended
Had to say just what I was feeling, girl
'Cause my sun doesn't shine
Sun doesn't shine without you
