

It's My Birthday

Ben Popp

Chorus :

It's my birthday and I'm gonna do

Whatever I want to

It's my birthday and I'm gonna do

Wherever I want to

Miami, New York x2, Las Vegas, L.A, California,

London, Milan, ..., Paris x2,

I don't really care where as long we get it on

Party on the street, party on the stairs,

Party in (streich) with the party in the air

Ama, ama

Chorus:

It's my birthday and I'm gonna do

Whatever I want to

It's my birthday and I'm gonna do

Wherever I want to

Gemini, Aries, Taurus, Cancer, Virgo, Leo,

The stars hold on to the answer

Libra, Scorpio, Sagetarius, Capricorn, Pisces

Last one but not least, Aquarius

Close your eyes have a seat,

Close your eyes take a trip,

Close your eyes, make a wish

Open surprise, boys strip

Chorus:

It's my birthday and I'm gonna do

Whatever I want to

It's my birthday and I'm gonna do

Wherever I want to X2

It's my birthday, my birthday x 3
