

# Save Me

## The Pierces

There's a lot you don't know  
And there's a lot I can't tell  
Would you think I'm crazy  
If you knew me that well?'Cause there's a lot you don't know but you say  
You won't go and I'd like to believe youBut I know there's no one left to save me  
(I am the only one)  
There's no one left to save me  
(I am the only one)  
There's no one left to save meWas it all in my head  
Or somehow is it true?  
Was it something I said?  
I can offer no proof'Cause there's a lot I don't know but you say  
You won't go and I'd like to believe youBut I know there's no one left to save me  
(I am the only one)  
There's no one left to save me  
(I am the only one)  
There's no one left to save meI did it for love, I did it for experience  
I did it for love, ooh  
I did it for, I did it for, I did it for loveBut I know there's no one left to save me  
(I am the only one)  
There's no one left to save me  
(I am the only one)  
There's no one left to save me  
(I am the only one)There's no one left to save me  
(No one, I am the only one)  
There's no one left to save me  
(I am the only one)  
(There's no one left)
