## Chris Brown

I Was Crazy When I Said I Didn't Love You,  
From The First Time That I Ever Saw You,  
The Emotions Running Deep Underneath My Skin,  
Sign Anywhere For Your Love, Where Do We Begin. So Lay Me Down  
Tell Me What I Wanna Hear  
Take Me Down  
There's Nobody Else I'd Rather Be With. I Wanna Wake Up In Your Arms,  
I Wanna Wake Up In Your Arms,  
I Wanna Wake Up In Your Arms,  
I Wanna Wake Up In Your Arms. Ohh Oh Oh x4 If My Heart Is Outa Place Move Over,  
I Coulda Told You How It Hurts, Coulda Told Ya.  
& Now I Want You I Can Feel It In My Heartbeat,  
It's Like A Race Like I'm Running In A Track Meet. So Lay Me Down  
Tell Me What I Wanna Hear  
Take Me Down  
There's Nobody Else I'd Rather Be With. I Wanna Wake Up In Your Arms,  
I Wanna Wake Up In Your Arms,  
I Wanna Wake Up In Your Arms,  
I Wanna Wake Up In Your Arms. Ohh Oh Oh x4
