

# One More Cup Of Coffee

## Schabuwán

Your breath is sweet  
Your eyes are like two jewels in the sky  
Your back is straight, your hair is smooth  
On the pillow where you lie I don't sense affection  
No gratitude or love  
Your loyalty is not to me  
But to the stars above One more cup of coffee for the road  
One more cup of coffee 'fore I go  
To the valley below Your daddy, he's an outlaw  
A wanderer by trade  
He'll teach you how to pick and choose  
And how to throw the blade He oversees his kingdom  
No stranger dare intrude  
His voice, it trembles as he calls  
For another plate of food One more cup of coffee for the road  
One more cup of coffee 'fore I go  
To the valley below One more cup of coffee for the road  
One more cup of coffee 'fore I go  
To the valley below Your sister sees the future  
Like your mama and yourself  
You've never learned to read or write  
There's no books upon your shelf Your pleasure knows no limits  
Your voice is like a lark  
But your heart is like an ocean  
Mysterious and dark One more cup of coffee for the road  
One more cup of coffee 'fore I go  
To the valley below One more cup of coffee for the road  
One more cup of coffee 'fore I go  
To the valley below  
Oh, to the valley below
