Heart Call

Solid Stone & Jennifer Rene

I've never thought in my life that itâ€™d be broken in two,
I never wanted my heart to be separate from you.

Now all the roses are dead,
And the grope nowhere.

Now the people are hurt,
By unjust,
End in here.

Because youâ€™re the answer that this is I am in for,
Itâ€™s the reason that I donâ€™t want to live like this,
Never thought you,
This would be my downfall.

Youâ€™re the meaning all this life is good for,
Itâ€™s the reason I donâ€™t wanna live like this,
Never though you...

Can you hear my heart call?
Can you hear my heart call?
Can you hear my heart call?

Youâ€™re the answer that this is I am in for,
Itâ€™s the reason I donâ€™t want to live like this,
Never thought you,
This would be my downfall.

Youâ€™re the meaning all this life is good for,
Itâ€™s the reason I donâ€™t wanna live like this,
Never though you...

Can you hear my heart call?
Can you hear my heart call?

Can you hear my heart call?
Can you hear my heart call?
