The Greatest Thing

Paperboys

(Cher)
I don't know why you hurt inside,
Or what was said to make you cry.
I hope that you, can see, you are,
The Greatest Thing to me, and whenI don't wa-wanna waste another day,
Without telling you that baby you're great.
And I can see it written on your face, G-R-E-A-T.
It's something you cant fake'Cause when I'm with you, I fall apart.
To heal your permanently broken heart.
Baby, you're the greatest to me,
No matter what, what, what.I don't know why you hurt inside,
Or what was said to make you cry.
I hope that you, can see, you are,
The Greatest Thing to me, and when
You're feeling like you're not enough,
I'll give you wings, I'll lift you up.
I hope that you can see
You are, The Greatest, Greatest Thing to me.(Gaga)
When all your thoughts are dark and insecure,
I'll build you a life cause' baby I'm sure,
That loving you has made me better,
I take all your shadows, and make sure that you shine.'Cause when I'm with you, I fall apart.
[Fall Apart]
To heal your permanently broken heart.
[Broken Heart](Cher & Gaga)
Baby, you're the greatest to me,
No matter what, what, what.I don't know why you hurt inside,
Or what was said to make you cry.
I hope that you, can see, you are,
The Greatest Thing to me, and when
You're feeling like you're not enough,
I'll give you wings, I'll lift you up.
I hope that you can see
You are, The Greatest, Greatest Thing to me.(Cher)
The Greatest Thing, Greatest Thing, Greatest Thing to me.
I'm Gonna repeat myself so I know that you are listening.
The Greatest Thing, Greatest Thing, Greatest Thing to me.
I'm Gonna repeat myself so I know that you are listening.(Cher & Gaga)
'Cause when I'm with you,I fall apart.

[Fall Apart]
To heal your permanently broken heart.
[Broken Heart]
Baby, you're the greatest to me,
No matter what, what, what.I don't know why you hurt inside,
Or what was said to make you cry.
I hope that you, can see, you are,
The Greatest Thing to me, and when
You're feeling like you're not enough,
I'll give you wings, I'll lift you up.
I hope that you can see
You are, The Greatest, Greatest thing to me.
