

# Counterfeit (Remix By Lethal)

## Limp Bizkit

Freakin' me out you wear a mask called counterfeit, You're freakin' me out you wear a mask [Repeat:  
x5] Freakin' me out you wear a mask called counterfeit,  
You're freakin' me out you wear a... fake  
Hey man wake up and smell the concrete  
Strange to see you've changed like the LB Could be identity crisis but I can't buy this  
Reality bites but that's what life is  
Pitiful you, your hideous behavior  
Hate what God gave ya, fakin all the flava Artificial minds seekin out the new trends  
Get in where you fit in  
Quit thinkin like a has-been diggin in my culture Let me let your punks know I'm an old school soldier  
With the funk flow  
A damn shame you want to change yourself [Chorus]  
Because you're sick of yourself  
Well I'm sick of you too, fake  
You're a, a counterfeit, fake  
You know we figured you out  
Well I'm sick of you too, fake  
You're a, a counterfeit, fake I wonder, I wonder  
I wonder what it's like to be a clone  
Doin' nothin, nothin' on my own  
Alone in your misery, you're bitin on my new style Filed as a counterfeit, going down in history as nothin but a  
copy cat (copy cat)  
So if your fakin that you're phat you need a ballbat  
Right where your head is at  
All your desperation causes separation Now I grab the mic to intimidate  
Your weakness screams from the limb on your siren  
Phonies get the hint quick smacked with funk flick  
Pain for the fakers fame can't maintain [Chorus] All these phonies  
You disregarded your life (disregarded your life)  
You disrespected your friends (you disrespected your friends)  
You've even stolen your appearance (stolen) from hangin out with my family But I should have never dropped  
my guard (shoulda never dropped my guard)  
So you could stab me in the back (stab me in the back)  
But you were faking me out (you were faking me out)  
Just faking me out you wear a mask (you wear a mask) Freaking me out you wear a mask called counterfeit,  
you're freaking me out you Wear a mask called counterfeit [Repeat: x2] Freaking me out you wear a mask called  
counterfeit [Repeat: x4] Now you're steadily startin to change  
You want to rearrange your lifestyle with live like the wild child  
With the vibe alive you could lie to try and be so fly

A lie but you deny you're a fake  
You know we figured you're a phony (fake)  
You know we figured you out, figured you out, figured you out  
Fake (a bunch of times) You're probably freaking me out (a bunch of times)  
Back to the top
