

# Crazy Something Normal

## Donkeyboy

Champagne glass  
And a merlo wine  
With an old man  
staring at his broken time  
Got my T shirt on  
When its suiit and tie  
But I showed up late  
Who did you invite  
Someone asked me  
to save my soul  
I said I already gave it to the radio  
There's a ripped off cord  
To my TV screen  
With a note saying  
I'm not afraid to dream  
Living how we wanna  
Speeding through the life  
Crazy Something Normal  
We don't need advice  
Living in the color  
There's no black and white  
Crazy Something Normal  
We're Taking off tonight  
The Good die young  
We all know that  
And I'm glad  
I don't play the hero act  
Got my tax check back  
and I bet on black  
I'll be here next year  
trying to win it back  
When they ask  
What did you invent  
Tell them how to see the world through a limo tint  
Cause there's a ripped off cord  
To my TV screen  
Because I will never  
be afraid to dream  
If you don't know where come follow me  
If you don't know where come follow me  
In the midnight air no I don't sleep  
If you don't know where come follow me
