

Loco (feat. Balleo)

Leo Aberer

I sing, "loco", "loco",
Everybody come along
Come un Poco, Poco
dance a little to the song/
If you play balla, balla
You need corazon, so everyone, one, one, sing a long, long long
'cause we all just wanna be
so young wild and free
from the desert to the sea
we should live in harmony,
'cause you know that we believe,
this is all I ever need
when you see tonight, the sun is come, sun is come,
play the game tonight, come and come run and run,
There is a place tonight, for everyone, everyone,
we can be heroes tonight,
keep it right I sing, "loco", "loco",
Everybody come along
Come un Poco, Poco
dance a little to the song/
If you play balla, balla
You need corazon, so everyone, one, one, sing a long, long long We are juggling with our knees
- enjoying the wind yeah, feel the breeze,
We are spinning and turn around,
till the perfect move is found,
move 360 degrees,
that's the way it's gonna be
that's the way that set us free,
Una so dance, Loving La Salza
I love romanza, this is my chance ya,
Nananana Nah , Nah Una so dance, I Love romanza ,
I love the sunshine, this is my first time
Nana...Una so dance, I love romanca,
I love the sunshine this is the first time
Nana....
