

What You Want

Boys Noize

This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get

This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get
This is what you want
This is what you get
This is what you want

Track one one one one one one one
Track one one one one one one one
Track one one one one one one one
Track one
Track one
Track one
Track one
Track one

This is what you want
One
This is what you get
One
This is what you want
One
This is what you get

One

One

One

This is what you want

This is what you get

This is what you want

This is what you get

Track one

One

Track one

One

This is what you want

This is what you get

This is what you want

This is what you get

Want

Get

Want
