

# Don't Make It Easy For Me

[Earl Thomas Conley](#)

You're on my mind I'm in the dark  
You're taking your time I'm falling apart  
Girl you're holding mine in your hands and you know it  
I'll get it right if you give me the chance to get closer  
I'll give you my heart if that's what you're after  
I'll give you my love if that's all the matters to get over  
Yeah that's all right with me if you want to play hard with me  
Don't make it easy for me  
Down on my knees take a look at me  
I'm easy to please so why can't you be  
Girl you're holding mine in your hands and you know it  
I'll get it right if you give me the chance to get closer  
I'll give you my heart if that's what you're after  
I'll give you my love if that's all the matters to get over  
Yeah that's all right with me if you want to play hard with me  
Don't make it easy for me  
Yeah that's all right with me if you want to play hard with me  
Don't make it easy for me
