

# Sandy Sends Her Best

Waylon Jennings

This letter that I'm writing would probably be  
The hardest thing I'll ever do  
But you see there's something you should know  
I guess I should be the one to tell you.

While you faithfully waited for me  
I met someone new and I fell  
Though you may not wanna hear it  
Sandy sends her best and she and I both wish you well.

Sure you know as well as I  
Memories have a way of hangin' in your mind  
And there's a lot about you  
I know I'll remember for a long, long time.

But she's the girl that I love now  
I guess more than I love my life itself  
I pray you hold your no hurt feelings  
Sandy sends her best and she and I both wish you well.

Maybe someday you'll forgive me  
Realize that some things happened for the best  
If it's any consolation after all the others  
Until her I loved you best.

By the time you read this letter we'll be gone  
I guess that's all there is to tell  
But before I say goodbye  
Sandy sends her best and she and I both wish you well.

I pray you hold your no hurt feelings  
Sandy sends her best and she and I both wish you well.
