Winter Wonderland

Phil Spector

Over the ground lies a mantle of white
A heaven of diamonds shine down through the night
Two hearts are thrilling in spite of the chill in the weatherLove knows no season, love knows no clime
Romance can blossom any old time
Here in the open we're walking and hoping togetherSleigh bells ring, are you listenin'?
In the lane snow is glistenin'
What a beautiful sight, we're happy tonight
Walkin' in a winter wonderlandGone away is the blue bird
Here to stay is a new bird
He sings a love song as we go along
Walkin' in a winter wonderlandIn the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say "Are you married?"
We'll say "No, man
But you can do the job when you're in town"Later on we'll conspire
As we dream by the fire
To face unafraid
The plans that we made
Walkin' in a winter wonderlandSleigh bells ring, are you listenin'?
In the lane snow is glistenin'
A beautiful sight, we're happy tonight
Walkin' in a winter wonderlandGone away is the blue bird
Here to stay is a new bird
He sings a love song as we go along
Walkin' in a winter wonderlandIn the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say "Are you married?"
We'll say "No, man
But you can do the job when you're in town"Later on we'll conspire
As we dream by the fire
To face unafraid
The plans that we made
Walkin' in a winter wonderlandSleigh bells ring, are you listenin'?
In the lane snow is glistenin'
A beautiful sight, we're happy tonight
Walkin' in a winter wonderland
