

# Get Ur Freak On

## Missy Elliott

Head banga, hit me  
Hit me, hit me  
Hit me, hit me  
Yeah, hit me  
Gimme some new shit, yeah  
Gimme some new shit, yeah  
Gimme some new shit, yeah  
Gimme some new shitMissy be puttin' it down  
I'm the hottest 'round  
I told y'all mother-oooh  
Y'all can't stop me now  
Listen to me now  
I'm lasting twenty rounds  
And if you want me (nigga) then come and get me now  
Is you with me now?  
Then biggie-biggie-bounce  
I know you dig the way I sw-sw-switch my style  
(Holla) People sing around  
Now people gather 'round  
Now people jump aroundGo, get ur freak on  
Go, get ur freak on  
Go, get ur freak on  
Go, get ur freak on  
Go, get ur freak on  
Go, get ur freak on  
Go, get ur, get ur, get ur, get ur, get ur, get ur freak on
