

Sometimes

M2M

The rain's pouring down and you wish you could find
A hole in the ground
Knocks on your door
And it feels like you're crawlin' all over the floor And your boyfriend says
"Did you wake up on the wrong side of the bed today?" Sometimes you just feel like
The tight pants that you have don't fit
Sometimes guys just make you sick You're lookin' for somethin' to kick
You feel so lost in this pretty world
That's how it sometimes feels to be a girl Your brother always has to complain
He don't understand, he thinks he's a real man
My favorite TV show is startin' soon
Up with the ice cream and a spoon (Think positive)
My father says
"It's a wonderful soccer game today" Sometimes you just feel like
The tight pants that you have don't fit
Sometimes guys just make you sick You're lookin' for somethin' to kick
You feel so lost in this pretty world
That's how it sometimes feels to be a girl Sympathy can be okay
But not when I feel horrible like today Sometimes you just feel like
The tight pants that you have don't fit
Sometimes guys just make you sick You're lookin' for somethin' to kick
Sometimes you just feel like
The tight pants that you have don't fit
Sometimes guys just make you sick You're lookin' for somethin' to kick
You feel so lost in this pretty world
That's how it sometimes feels to be a girl
