Dirt Wizard

Red Fang

its alright i know
there's no place to go
put gas on the fire
cause i like it that waythings all seem the same
nothing seems to change
turn on my friends
until none remainramble on, on and on
back to the where shadow's gone
oh yeah oh yeah
ramble on, on and on
back to when my life ain't wrong
oh yeah oh yeahwe're all lost at sea
and'll soon cease to be
i love the way
that you shut me outyou just seems so tired
why not rest awhile?
just shut your eyes
and i'll gouge them outramble on, on and on
back to the where shadow's gone
oh yeah oh yeah
ramble on, on and on
back to when my life ain't wrong
oh yeah oh yeah
