

Heaven, Hell, Or Houston

Zz Top

Surprised?
Yes, it's me again
I have just returned from the island of Chandelier
What am I doing in town?
Well, I'm glad you asked
I'm just passing through in search of the ever elusive Thunderbird
I got a job as a public relations man
Passing out handbills on Austin Street
Merely an effort to improve my financial situation
And ward off a case of the D.T.'s
So farewell, my darling
Perhaps we'll meet again
On some sin-infested street corner in Houston Texas
