[Rakaa]The fire starts with a spark/ Then a shift up in
the mind/ People scared to be themselves/ Seem happy
to live a lie/ Give thanks for collie weed/ Never ever
sniff a line/ Conquering Lion/ 225th in line/ If we say
we're "Pro-War"/ Only in the fight for peace/ Man, that
means no war/ Think the price of life is cheap?/ But
we're saying "No More"/ Righteous recognize the beast/
Fireman'll baptize/ Burn 'em the light and heat/ Forward
to the power in a phrase like/ "Acts Of God"/ Prophet
said he saw the flood waters rise/ And the flow was hard/
I was really shocked to see/ The truth was exposed as hard/
While the media was focused/ On the words by Kanye/ What
was it I just heard the President's Mom say?/ People here
are frustrated/ Still got a long way/ Fed up but remember/
Self Destruction is the wrong way
[Rakaa & Capleton]Too much ratat.../ Keep it pon lock if you're gonna use one/
(Remember that)/ Ratat.../ Strictly self defense or for
revolution/ (Remember that)
[Chorus](Capleton)
They think I'm crazy/ But di tables have to turn/ They
think I'm crazy/ But di fya have to burn/ They think
I'm crazy/ But di children have to learn/ They think
I'm crazy/ Wow, wow, oh
[Capleton]Rakaa tell dem seh fi bun dem, bun dem, bun dem, bun dem,

Coconut and carrot chalice/ Looking for the kaya man/
Babylon is vexed with us/ They should read Exodus/ Moses
and the burning bush/ Incense in Leviticus/ Lamb's Bread
sacrament/ Check out 1st Corinthians/ Shipped of to
America/ All through the Caribbean/ No it's not an
accident/ Gangbangin and the dope/ Guns and crack are
lynching youth/ Swinging from a hangman's rope/ Addicts
wanna shoot up/ Pop pills/ Wanna drink and toke/
Automatics spit hot/ You can still see the smoke
[Rakaa & Capleton] Too much ratat.../ Keep it pon lock if you're gonna use one/
(Remember that)/ Ratat.../ Strictly self defense or for
revolution/ (Remember that)
[Capleton] Well bingy man wi haffi mek a decision/ Caan mek dem

and ask bout mi vision/ Dem want to know weh certain things
