All Mine

Portishead

All the stars may shine a-bright
All the clouds may be white
But when you smile
Oh how I feel so good that I can hardly wait
To hold you, enfold you
Never enough
Render your heart to me
All mine you have to be
From that cloud, number nine
Danger starts the sharp incline
And such sad regrets

Oh as those starry skies as they swiftly fall
Make no mistake, you shan't escape
Tethered and tied
There's nowhere to hide from me
All mine you have to be
So don't resist, we shall exist
Until the day
Until the day, I die
All mine you have to be
