

# All Mine

## Portishead

All the stars may shine a-bright  
All the clouds may be white  
But when you smile  
Oh how I feel so good that I can hardly wait  
To hold you, enfold you  
Never enough  
Render your heart to me  
All mine you have to be  
From that cloud, number nine  
Danger starts the sharp incline  
And such sad regrets

Oh as those starry skies as they swiftly fall  
Make no mistake, you shan't escape  
Tethered and tied  
There's nowhere to hide from me  
All mine you have to be  
So don't resist, we shall exist  
Until the day  
Until the day, I die  
All mine you have to be
