Your Love Is My Love

TERRY LINEN

Live up, it's okay, live up, it's alright
Live up, it's okay

If tomorrow is judgment day
And I'm standing on the frontline
And the Lord asked me
What did I do with my live
I would say, I spent it with you
Live up, it's okay, live up, it's alright

If I wake up in World War III (if I wake up)
I see destruction and poverty (oh my my my)
And I feel like I wanna go home
It's okay, you're coming with me
Live up, it's okay, live up, it's alright

Your love is my love and my love is your love
It would take an eternity to break us
It would take all the stars just to hold us
Your love is my love and my love is your love
It would take an eternity to break us
It would take all the stars just to hold us

Live up, it's okay, live up, it's alright
Live up, it's okay

If I lose my fame and fortune (there's no way that can change me)
And I'm homeless on the street
And I'm sleeping in Grand Central Station
It's okay, you're sleeping with me
Live up, it's okay, live up, it's alright

As the years they pass us by (years pass us by)
We stay young through each others eye
And don't matter how old we get
It's okay, as long as I got you baby
Live up, it's okay, live up, it's alright

Your love is my love and my love is your love
It would take an eternity to break us

It would take all the stars just to hold us
Your love is my love and my love is your love
It would take an eternity to break us
It would take all the stars just to hold us

If I should die this day
Don't cry
Cause on earth we weren't meant to stay
And no matter what the people say
I'll be waiting for you after
The judgment day

Your love is my love and my love is your love
It would take an eternity to break us
It would take all the stars just to hold us
Your love is my love and my love is your love
It would take an eternity to break us
It would take all the stars just to hold us
