Bones

Fat Freddy's Drop

Get them bones in the water, uh,
leave them all day
Get them bones in the water, uh,
leave them all day
Get them bones in the water, uh,
leave them all day
Get them bones in the water, uh,
leave them all dayGood things take time to do, now,
so I'ma take my time with you.
Down here when we make it over.
The road is long, it makes you stronger.
Life is such a mystery, still wonder who I might see.
Steamy windows, rainy days, the best has yet to come my way.
Heat, feel so good to me.
Can't get enough of them bones babe, bones baby, baby.Heat it up baby
Heat it up baby
Heat it up babyTake me over the cloudy rains.
The world of peaceful borders, babe.
The road is long, the nights are dark.
Get a little closer every day.Get them bones in the water, uh,
leave them all day
Get them bones in the water, uh,
leave them all day
Get them bones in the water, uh,
leave them all day
Get them bones in the water, uh,
leave them all day
Like it was only yesterday,
I remember all the things you told me.
Don't take what you got for granted, give some to receive.
I made a, weak won for whiskey bottle,
still keepin my powder dry, still got no alibi,
some things that you've done for me.
Paid for who I am, it's hard work that makes the man.
Keepin on, you know I can
Keepin on, you know I can
Keepin on, you know I can
Keepin on, you know I can
You know I'm

You know I'm
You know I'm
You know I'm
not gonna let this thing bring me down.It's cold outside but there's a woman in your arms.
Not gonna let this thing bring me down, no.
Won't bring me down
Won't bring me down
You won't bring me down.
Oh, no baby, you won't bring me down
Oh, no baby, you won't bring me down
Oh, no baby, you won't bring me down
