

# The Look In Your Eyes (feat. Frankie Beverly)

## Maze

Over and over your love was never less than real  
I wanna tell you something I know just how you feel  
And oh you tried and you tried and you tried  
You wanted me to be your man  
It took awhile sweet baby but I think I understandI can tell by the look in your eyes  
That your falling in love with me  
I can tell by the look in your eyesThat your what I need your what I need  
Your what I yea yea yea yea  
And oh you never never told me just what was on your mind  
I didn't know you noticed and you knew this all the time  
I wasn't playing hard to get I really couldn't see  
It doesn't matter baby I've got you here with meI can tell by the look in your eyes  
That your falling in love with me  
I can tell by the look in your eyes  
That your what I need  
I can tell by the look in your eyes  
That your falling in love with me  
That your falling in love with me  
I can tell by the look in your eyes  
That your all I need  
I can tell I can tell sweet baby  
I can tell by that look in your eyes  
That look in your eyesWould you come to me and give it to me  
Give it to me give it to me that look in your eyes
