

You're Running Wild (Duet with Rodney Crowell)

[Emmylou Harris](#)

You're running wild
How long can this go on?
You're leaving me alone
Stop running wild You're always gone
My love you'll never change
It's more than I can bear
Stop running wild You'll settle down someday
And find I've gone away
You'll think of what you've done
While running wild You can't go home
You'll have to change your ways
You'll have to go or stay
Stop running wild
