

# Easy to Love

[Sarah Vaughan](#)

I know too well that I'm just wasting precious time  
In thinking such a thing could be  
That you could ever care for me  
I'm sure you hate to hear That I adore you, dear  
But grant me  
Just the same  
I'm not entirely to blame For love  
You'd be so easy to love  
So easy to idolize  
All others above So worth the yearning for  
So swell to keep every home fire burning for  
We'd be so grand at the game  
So carefree together
