I'll Be Faithful

Dusty Springfield

I would be your water When your thirsty mouth was dry I would be your sunshine When clouds are in the skyI would stand that close beside you And be your only friend And I have promised love forever There will be no endOoh, hoo, I'll be faithful Ooh, hoo, I'll be true too Ooh, hoo, I'll be faithful, yes, I will now Ooh, hoo, oh my, true to youNow I would be your music If you would like a song I would sleep beside you When the winter's cold and longI would be the pole to guide you Never would I bend And I have promised love forever There will be no endOoh, hoo, I'll be faithful, oh, yeah Ooh, hoo, I'll be true too, mmm Ooh, hoo, I'll be faithful, oh, yeah Ooh, hoo, oh my, true to you, ooh, hooI have promised love forever There will be no endOoh, hoo, I'll be faithful, oh, yeah Ooh, hoo, I'll be true too Ooh, hoo, I'll be faithful, yes I will Ooh, hoo, oh my, true to you
