

# Wires

## Coconut Records

Had a lot of things to say  
Had a lot of points to make  
Put me down on walk  
Sweet take before you go awayClose the door in case you stay  
And I can't believe it's already tired  
Oh, go and cut all my wiresLittle bit of this is good  
You always said it would  
Waits to be overheard  
Quote yourself word for word  
Before you go awayClose the door in case you stay  
And I can't believe it's already tired  
Oh, go and cut all my wiresIn case you stay  
And I can't believe it's already tired  
Oh, go and cut all my wires  
All my wires, all my wires
