

# Never Enough

## Autumn Burning

Donâ€™t you know  
I hate being last  
It happened so fast  
And now Iâ€™m down on my knees

Fall on your knees, for me  
Iâ€™m so sorry, I thought this would never end

I walk, thankful Iâ€™m still alive  
Constantly worried about whoâ€™s coming from behind  
Oh no, Iâ€™m always lookin over my shoulder  
All the time

And never, itâ€™s never enough for you, for you  
And never, itâ€™s never enough for you, for you

See me fallin, while youâ€™re laughin  
With that smirk on your face  
Now, can you tell me that youâ€™re fake  
And do you have what it takes

I walk, thankful Iâ€™m still alive  
Constantly worried about whoâ€™s coming from behind  
Oh no, Iâ€™m always lookin over my shoulder  
All the time

And never, itâ€™s never enough for you, for you  
And never, itâ€™s never enough for you, for you

I walk, thankful Iâ€™m still alive  
Constantly worried about whoâ€™s coming from behind  
Oh no, Iâ€™m always lookin over my shoulder  
All the time

And never, itâ€™s never enough for you, for you  
And never, itâ€™s never enough for you, for you

And never, itâ€™s never enough for you
