

New York New York

Back Street Crawler

Start spreading the news
I'm leaving today
I want to be a part of it
New York, New York
These vagabond shoes are longing to stray
Right through the very heart of it
New York, New York
I wanna wake up in a city that doesn't sleep
And find I'm king of the hill, top of the heap
These little town blues are melting away
I'll make a brand new start of it in old New York
If I can make it there, I'll make it anywhere
It's up to you, New York, New York
New York, New York, New York
I want to wake up in a city that never sleeps
And find I'm a number one, top of the list
These little town blues are melting away
I'll make a brand new start of it in old New York
If I can make it there, I'll make it anywhere
It's up to you, New York, New York, New York
