Lonely

Lou Bega

They're tellin' me,
the does and don'ts
but nobody's askin' me
What I desire
(I wanna be lonely)
No record company callin in today
No stress,no drama, end of delay,
Chorus:
I wanna be lonely,
Baby i wanna be lonely,
I just wana be by myself,

I wana be lonely
Baby i wana be lonely
Final by myself
No mobile rings,
no traffic jams
no date,no stress
and no one that wants my money
just for nothing
