

Riot Pictures (feat. Sandi Shaw)

Davidge

Insurgency and cells
Swarms and gangs
Of trophy wives
Tommy gun to problem child
Happy slaps and
Testing kits
How cool is school
In royal splits Forget the looks
That we'd get
Just punk and funk
And no Regret
Pretty things and vacant love
Come down quick
Happy ends
Surround yourself
Your new friends
There's lot to lose
Where users use
Everything to mess with you
Shiny dust To snort in pin pricks
Lick the papers
where the skin sticks
Rub it down
And expose and the grain
And urge them to rack again
Suck in and hold it back
Blues and fallow songs
Dull me
The monster brave,
Come climb in me
We face the row
My arms embrace
You won't be free
You won't be free
We're never far
We have to march
Too much to fade
