

# I Need You

**Jean B. Gerbier**

I need you

I picture myself in dreamy scenario at night,  
When I think of you. I can't stop this flirty  
passion about me and you. (Chorus repeat)

Chorus

I need you; I need you; I need you. I need you.  
I need your laughter and joy.  
I need you; I need you; I need you. I need you.  
Expression of happiness.  
I need you; I need you; I need you. I need you.  
What a world, what a life.

you know what we should do to make it feel  
alright. I like being in your company.  
I dream of you more than you do, when  
I close my eyes. (Chorus repeat)
