

# Emily

## Mika

Emily, Emily,  
Emily, can't you write a happy song  
Get your eyes to number one  
You could try a little harder  
Emily, you could be a millionaire  
But you're superlove hot hair  
Gonna end up like your father  
Emily, you can't even like your chance  
Get a boy and learn to dance  
Be a girl like any other  
Emily, are you stuck or by you gay  
If you are, then that's ok  
'Cause it doesn't even matter Emily, it's your life and you can't live it twice  
One day you'll understand and then you'll take my hand  
Emily, I love you, and do know you do too  
You never make no sense, screaming at me in French  
Bullcrotching, that's that  
Bullcrotching, that's that  
Shut up listen to me, dance with me Emily  
Bullcrotching, that's that  
Bullcrotching, that's that  
Shut up listen to me, dance with me Emily Emily, you got so much in your life  
Me I got no one's advice  
Don't you know you got it easy  
Emily, what you smoking, what's that stench  
Who you screaming out in French  
Did you really think you had me  
Emily, that's enough to hide your toes  
Acting like you... I give up it's not worth trying  
Emily, one day I will end up dead  
That's the only thing I've said  
That will ever get her smiling, Emily, it's your life and you can't live it twice  
One day you'll understand and then you'll take my hand  
Emily, I love you, and do know you do too  
You never make no sense, screaming at me in French  
Bullcrotching, that's that  
Bullcrotching, that's that  
Shut up listen to me, dance with me Emily  
Bullcrotching, that's that

Bullcrotching, that's that  
Shut up listen to me, dance with me EmilyEmily, live your life in a balloon  
Lock yourself up in your room  
So the world can never reach ya  
Emily, now I'm speaking Japanese  
Got me falling on my knees, got me praying to saint peter  
Emily, see the price I have to pay  
I would give my life away  
If I knew that I could reach you  
Emily, why you make this hard to me  
It's not the way it's meant to be  
I don't never wanna hit youEmily dance, Emily dance, dance, dance, Emily dance  
Emily dance, Emily dance, dance, dance, Emily dance  
Emily dance, Emily dance, dance, dance, dance, dance, danceEmily, it's your life and you can't live it twice  
One day you'll understand and then you'll take my hand  
Emily, I love you, an do know you do too  
You never make no sense, screaming at me in French  
Bullcrotching, that's that  
Bullcrotching, that's that  
Shut up listen to me, dance with me Emily  
Bullcrotching, that's that  
Bullcrotching, that's that  
Shut up listen to me, dance with me Emily  
Emily dance.
