Praise You

Chidi

We've come a long long way together
Through the hard times and the good
I have to celebrate you, baby
I have to praise you, like I should
We've come a long long way together
Through the hard times and the good
I have to celebrate you, baby
I have to praise you like I should
I have to praise you
I have to praise you
I have to praise you
I have to praise you like I should
I have to praise you
I have to praise you
I have to praise you
I have to praise you
We've come a long long way together
Through the hard times and the good
I have to celebrate you, baby
I have to praise you like I should
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you like I should
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you
I have to praise you
