

I'll Be Ready

P.O.D.

I've gotta keep on movin
I see them comin down Hollywood Boulevard
And they wont stop until them find me
No time to hide, I just keep ridin on, and I, Im ridin on When Babylon come for I
Jah know I'll be ready
When the wicked man come for I
Jah know I'll be ready
When Babylon come for, for I, for I, for I Im in the fire out here strugglin
Rollin down the Sunset Strip y'all
Lord, its getting hard but I'm trying
So please, forgive me but I'm hustlin on,
Oh God, Im hustlin on, Im hustlin on When Babylon come for I
Jah know I'll be ready
When the wicked man come for I
Jah know I'll be ready
When Babylon come for, for I, for I, for I Jah when the wicked man capture I
Keep e'ry guy ready When Babylon come for I
Jah know I'll be ready
When the wicked man come for I
Jah know I'll be ready Oh God, the wicked man capture I
Jah know I'll be ready
When Babylon come for, for I, for I, for I And let the wicked man capture I
Jah please make I ready, Lord
Oh gosh
