# 2 Late 4 Us

## Chrishan

[Intro]
Oh, oh, yeah
2 late 4 us,
I don't wanna,
Girl,[Verse]
It's like each day is growing colder,
Im grasping for the minutes,
Seconds pass and i'm thinking back when you first said i'm finished,
I tried to play my part, act like it was all a game,
But now I would give anything to get past your memory, girl,[Pre-Hook]
Why'd you walk away and leave me with this pain,
I wish I could go back in time and rearrange,
Its some things I didn't mean to say,
So tell me that its not too late, oh,[Hook]
Girl, if we keep on breaking up, we keep on making up,
Is it 2 late 4 us, yeah,
Girl, I know my mistake, no matter what girl I take,
There could never be no faking us,
Girl, if we keep on breaking up, we keep on making up,
Is it 2 late 4 us,
I don't wanna lose you, girl I'd be a fool to,
So I should ask you now,
Is it 2 late 4 us,[Verse 2]
I'm trying to be a man about it,
But I, can't seem to get around it,
Pictures all of you and me,
All of what we used to be,
I can't take this, no,[Pre-Hook]
Why'd you walk away and leave me with this pain,
I wish I could go back in time and rearrange,
Its some things I didn't mean to say,
So tell me that its not too late, oh,[Hook]
Girl, if we keep on breaking up, we keep on making up,
Is it 2 late 4 us, yeah,
Girl, I know my mistake, no matter what girl I take,
There could never be no faking us,
Girl, if we keep on breaking up, we keep on making up,
Is it 2 late 4 us,
I don't wanna lose you, girl I'd be a fool to,

So I should ask you now,
Is it 2 late 4 us,[Bridge]
4 us, Girl don't say no,
Just sing it with me one time, time, time, ooh,
Girl don't walk away,
Just stay with me be my queen,
Girl don't walk away,
Cause I need you, baby'[Hook]
Girl, if we keep on breaking up, we keep on making up,
Is it 2 late 4 us, yeah,
Girl, I know my mistake, no matter what girl I take,
There could never be no faking us,
Girl, if we keep on breaking up, we keep on making up,
Is it 2 late 4 us,
I don't wanna lose you, girl I'd be a fool to,
So I should ask you now,
Is it 2 late 4 us,
