

# Down In the Hole

[John Campbell](#)

When you walk through the garden  
You gotta watch your back  
I beg your pardon  
Walk the straight and narrow track If you walk with Jesus  
He's gonna save your soul  
You got to keep the Devil  
Way down in the hole He's got the fire and the fury  
At his command  
You don't have to worry  
If you holding Jesus' hand We'll all be safe from Satan  
When the thunder rolls  
You got to keep the Devil  
Way down in the hole  
All the Angels sing  
'Bout Jesus' mighty sword  
They shield you with their wings  
Keep you close to the Lord Don't heed to temptation  
For his hands are so cold  
You got to help me keep the Devil  
Way down in the hold Down in the hole  
Down in the hole  
Down in the hole  
Down in the hole You got to help me keep the Devil  
Down in the hole  
Help me keep the Devil  
Way down in the hole  
Help me!  
Help me!  
You have to help me  
You got to help me  
Ah, help me keep the Devil  
Down in the hole  
Well, help me keep the Devil  
Way down in the hole
