

# Meanstreak

AC/DC

I've been to the left, I've been to the right  
I've found myself in abudhabi, just a mirage in the night  
Been to the high, I've been to the low  
And I've been to lots of places that I didn't wanna go  
But I ain't see nothing to get me off my ass  
And laughed at all the jokers wanting make me walk on glass  
I could walk 'fore I could crawl  
And I was meaner than a bad dog with his back against the wall  
Animal, animal  
Cannibal, cannibal  
See 'em fall, see 'em fall  
I'm the guy that they call -Meanstreak, I gotta meanstreak  
Meanstreak, they call me meanstreak I just don't know who I wanna be  
The count of monte cristo or the sheik of arabia  
I've eaten rich, and I've eaten free  
I'm the perfect culture vulture in the face of poverty  
And I ain't met no one who told me I got class  
They say never feed the animal, the boys got too much flash  
I'm a guy they just can't teach  
And I always kick the castle that's been built up on the beach  
Animal, animal  
Cannibal, cannibal  
See 'em fall, see 'em fall  
I'm the guy that they call -What's your name?Meanstreak
