Just a good guy, with some bad habits  
Can't lie, we have a good time  
I catch a good one, and tell her good bye  
Gave her somethin' to eat, she ate it all  
We made a good movie, rated R  
Good noise, that's good music, no Kanye, I'm on the runway  
Teterboro, Learjet, Round trip, that's a good check

But all good pussy ain't good for you  
And I can't believe it's not butter

And when I'm in it, I see the light  
But a blind man gave me advice  
Don't believe in love at first sight  
I don't fuck, I make love  
You can't be mad at passion  
I close my eyes and let magic happen  
She swallows all of my battery acid  
I'm smoking on that good  
She got that good, good  
And I'm a good fella  
What more can you ask for?  
That's a good question and why?  
Crazy bitches got the best pussy  
That's why I'm still fuckin' my ex pussy  
I swear

It's so nice I had to say good twice  
But all good things had to come to an end bitch  
Good night Good, good, good, good, good
