Allergic to the Blues

Randy Travis

Yes, I hid your car keys, honey
Yes, I hid your suitcase
And I'm the reason you can't find
Your makeup and your toothpasteAnd I'll do anything it takes
To keep you here with me
Losing you's a sure way
To set off my allergiesI'm allergic to the blues
I get these teardrops in my eyes
You know I've always had
A bad reaction to goodbyesSo, 'til they find some injection
To calm that love rejection
All I've got to save me now is you
'Cause I'm allergic to the bluesIt won't be five minutes
After you walk out that front door
'Til I'll be fightin' for my breath
And feelin' like I'm done forWell, they might find me froze to death
In our bed alone
Now, do you really want that
On your conscience while your gone?I'm allergic to the blues
I get these teardrops in my eyes
You know I've always had
A bad reaction to goodbyesSo, 'til they find some injection
To calm that love rejection
All I've got to save me now is you
'Cause I'm allergic to the blues
I'm allergic to the blues
