

Sometimes

Mash

Raising from dead
I breath a brand new life
Walking among the lame
Seeing among the blind
I breath a brand new life
Cuz it is a brand new day
Cuz it is a brand new day
Iâ€™ll go ooooooh
Iâ€™ll go ooooooh
Everywhere
Everywhere

Sometimes I walk in the darkness
And sometimes am told I donâ€™t know what I believe in
But am firm enough to stand
Even when the winds are strong
Sometimes I walk in the darkness
And sometimes am told I donâ€™t know what I believe in
But am firm enough to stand
Even when the winds are strong
Even when the winds are strong

They call me a loner, who is lost
To me loneliness is peace
Silence keeps me away from trouble
In desert aloneâ€™ Iâ€™ll survive
In the jungle aloneâ€™ Iâ€™ll survive
Cuz am a warrior on my own
Iâ€™ve fought battles, came out alive
And still goingâ€™no matter how hard the journey is
Iâ€™ll go ooooooh
Iâ€™ll go ooooooh
Everywhere
Everywhere

A veces camino en la oscuridad
Y a veces me dicen no sÃ© en que creo
Pero soy lo suficientemente firme para
Para estar de pie

Incluso cuando los vientos
Vientos son fuertes. (Sometimesâ€¦. sometimes)
Sometimes I walk in the darkness
And sometimes am told I donâ€™t know what I believe in
But am firm enough to stand,
Even when the winds are strongâ€¦.(even when they shake me)
Sometimes I walk in the darkness,â€¦(ooooohhhh.
And sometimes am told I donâ€™t know what I believe in
But am firm enough to stand
Even when the winds are strongâ€¦..(eeeehhh oh my Lord)
Even when the winds are strongâ€¦.(even when theyâ€™re strong)
