

Beautiful Is Gone

The Ruse

Love has come so far, but not at all
I remember the start
You can't recall
By the time it was right
You didn't want to fall

If it's over, say it's over!

(Chorus)
Save me,
Why don't you restrain me,
Love is not so beautiful when you want it to be
(Beautiful's gone!)
And when you learn me,
We will both know baby
Beautiful is gone.....
(Beautiful...is gone. beautiful's gone!)

ohhh ohhhh

And i push you so hard,
But not at all
You close your eyes
I can see it all
Open up the door
See no more of you
Or what you do.

(Chorus)

(Beautiful's gone!)

What's in store,
Wouldn't you have shut the door
Peeking though the open plank
I can't keep from crawling back for more, crawling back for more

Say it's over, if it's over!

(Chorus)

Gone!
