

Wanting You

Street Urchinz

Wanting You
Street Urchinz

You sell my heart when you look away
And I give into your lies when you're smiling
Tell me are you down are you scared hows a Friday night sound
Give me peace of mind cuz I'm losing it inside

Cuz I'm losing it inside X2

Cuz girl I want you
To get a little closer
Girl I want you
to want me like I want you
Girl I want you
to hold me when it's cold
Girl I want you
to feel these feelings too

Your eyes have the power to bring me to my knees
And I shower you with love when you're in a cold breeze
Why you have to tease, why don't know, you already have me
By the end of the night you'll be mine and we'll be fine

Ha ha
That's right we'll be fine x2

Cuz girl I want you
to get a little closer
Girl I want you
to want me like I want you
Girl I want you
to hold me when it's cold
Girl I want you
to feel these feelings too

Cuz girl I want you
to get a little closer
Girl I want you
to want me like I want you

Girl I want you
to hold me when it's cold
Girl I want you
