

# Bad Influence

Pink

Alright sir, sure, I'll have another one, it's early  
Three olives, shake it up, I like it dirty  
Tequila for my friend, it makes her flirty  
Trust me, I'm the instigator of underwear  
Showing up here and there, uh, oh  
(Oh, no)

I'm always on a mission from the get go  
So what if it's only one o'clock in the afternoon?  
It's never too soon to send out all the invitations  
To the last night of your life  
Lordy, Lordy, Lordy  
I can't help it, I like to party  
It's dramatic, it's electrifying  
Wind me up and watch me go  
Where she stops nobody knows  
A good excuse to be a bad influence on you  
You and you and you and you and you  
And you and you and you and you and you  
And you and you and you and you and you  
Alright, man, calm down

I know your son, said he was at my house  
He was the captain of the football team but I turned him out  
He wasn't the first and he won't be the last  
So tone it down, this happens all the time  
I'm the story, the tale, the alibi  
They wanna go home, I ask them, why?  
It's daylight, not night  
It might need a break from all the real life  
(Get a life)

Gets to be too much sometimes  
It's never too late to send out all the invitations  
To the last night of your life  
Lordy, Lordy, Lordy  
I can't help it, I like to party  
It's dramatic, it's electrifying  
Wind me up and watch me go

Where she stops nobody knows  
A good excuse to be a bad influence on you

You and you and you and you and you and you  
(And you)  
And you and you and you and you and you  
(And you)  
And you and you and you and you  
I'm off to see the doctor  
I hope she has a cure  
I hope she makes me better  
What does that even mean? We don't know  
Lordy, Lordy, Lordy  
I can't help it, I like to party  
It's dramatic, it's electrifying  
Wind me up and watch me go  
Where she stops nobody knows  
A good excuse to be a bad influence on you  
Lordy, Lordy, Lordy  
I can't help it, I like to party  
It's dramatic, it's electrifying  
Wind me up and watch me go  
Where she stops nobody knows  
A good excuse to be a bad influence on you  
Lordy, Lordy, Lordy  
I can't help it, I like to party  
It's dramatic, it's electrifying  
You can wind me up and watch me go  
Where she stops nobody knows  
A good excuse to be a bad influence on you  
(And you)  
You and you and you and you and you and you  
(I'm a good excuse)  
And you and you and you and you and you and you  
(To be a bad influence on you)  
And you and you and you and you
