

# I Ain't Hearin' U

Angie Stone

I ain't hearin' you, that's not something he would do  
He wouldn't take my heart and break it in two  
I'm sure that he will explain and make it plain to me  
I ain't hearin' you, that's not something he would do I got a good man, even though he ain't perfect  
They be hatin' him, tellin' me he ain't worth it  
Tellin' me that he said and she said, when I still ain't leavin'  
Instead of bringing me bad news, I'm telling you I ain't hearin' you, that's not something he would do  
He wouldn't take my heart and break it in two  
I'm sure that he will explain and make it plain to me  
I ain't hearin' you, that's not something he would do I know he ain't blind, even I recognize beauty  
Neither one of us minds, as long as they keep on movin'  
Don't call me and disturb me 'cause I don't hear and I don't see  
I hope that you're listening to me, misery gets no company I ain't hearin' you, that's not something he would do  
He wouldn't take my heart and break it in two  
I'm sure that he will explain and make it plain to me  
I ain't hearin' you, that's not something he would do I ain't hearin' you, that's not something he would do  
He wouldn't take my heart and break it in two  
I'm sure that he will explain and make it plain to me  
I ain't hearin' you, that's not something he would do I ain't hearin' you, that's not something he would do  
He wouldn't take my heart and break it in two  
I'm sure that he will explain and make it plain to me  
I ain't hearin' you, that's not something he would do
